Dear Santa Claus:
 I've been real terrible
 but could you please bring
 some snow? You are such a
 nice man and nice and plump.
 Could you leave me your
 autograph? I really like
 your red suit. One more
 thing, could you leave a
 Lincoln Continetal in my
 stocking?

Dear Santa:
 Santa Claus is my favorite ole man,
 he brings me my toys all that he can.
 I know I haven't been the best little boy,
 but I know he'll understand cause he once had a toy.
 What I want for Christmas is a big red truck,
 a little butter kiss, and a green hockey puck.
 A big black cow and a little brown horse,
 and don't try to fool me cause I know your the source.
 I wanted a yak to tie on my back,
 but the kids will tell me I should see a quack.
 A big round teddy bear so jolly and fun,
 to take to the beach and play in the sun.
 Well I love you so much so I'll take what I get,
 but watch out for my sister I made her a bet,
 she said she would trap you and tie you up tight,
 you missed her nit stocking last Christmas eve night.

Love Dale Britten
